

Please read and keep all safety and use instructions.

 Contiene small parts which may be a choking hazard. Not suitable for children under age 3.

This product is intended for installation by professional installers only! This document is intended to provide professional installers with basic installation and safety guidelines for this product in typical fixed-installation systems. Please read this document and all safety

All Bose Professional products must be installed in accordance with local, state, federal and industry regulations. It is the installer's responsibility to ensure installation on the loudspeakers and mounting system is performed in accordance with all applicable codes and regulations. Consult the local authority having jurisdiction before installing this product.

Use only the hardware and accessories included or specified by Bose Professional. Do not mount on surfaces that are not sturdy, or that have hazards concealed behind them, such as detached wiring or plumbing.

Do not make unauthorized alterations to this product. Do not expose loudspeaker or mounting components to any chemical substances that are not specified by Bose Professional, including but not limited to lubricants, cleaning agents, contract sprays, or other hydrocarbon-based solvents. Exposures to such substances can lead to degradation of the plastic material, resulting in cracking and creasing a killing hazard.

No realises alteraciones no autorizadas a este producto. No expongas los componentes de montaje a sustancias químicas que no hayan sido especificadas por Bose Professional, entre otros, aceites, disolventes, productos de limpieza, aerosoles de contacto u otros disolventes, a base de hidrocarburos.

La exposición a estas sustancias puede dañar el plástico, lo que produce grietas y el riesgo de degradación de los materiales, dando lugar a fisuras y a la formación de grietas.
